Hei Magne!

Probably I'm one of the youngest fans of a-ha... But I don't think that matters ;) I wish you all the best for the next time (actually for EVER =) and just keep on writing all those great songs which make all easier and help me to feel happy :) Thank you!

Hi Mags!

Just had to write and say thanks for all the great music it has
helped me through some rough times. And thank you for your
great personality which comes over so well on stage, i am so
sorry that A-ha do not get the credit they deserve here in
Scotland, but hey we have a monopoly on Morons here! Can't
wait to see you all in Glasgow, i got so overexcited i booked
more tickets than i needed!

So good luck and keep up the great work.

Hi,

Great you're coming back again to give another concert in Holland in Amsterdam.

I'd like to thank you for signing my photo when we met in Utrecht on 17 juni 2002.

The photo was taken in The Hague on 4 april 1991 (just before the concert). I noticed you've changed your autograph. In 1991 you (Morten and Paul) signed my jeans jacket and I immediately noticed when you signed the photo, the autograph was different. I did not say this to you because you were bussy talking to some other fans and I did not want to interrupt. Anyway, I was kind of curious why you've changed your autograph.

I am looking forward to see you again.

My husband and I will go to the concerts in Hannover, Cologne, Oberhausen and of course Amsterdam. See you soon. Bye.

Sandra Velthuizen-Agerbeek

Hallo Magne!

Congratulations! You are so nice and cool! When I saw you this year in Brazil, I could understand that you are real, but different: a special human being, active, funny and sensible. Music and Paint are just one thing - Art! And you know this secret of universe...

Merry moments all days!

What about a nice little chat after the concert in Halle at the

Well, anyway, take care and see you soon.

Hey Mags,

Can I still call you that? I am a long time fan here in the

Lifelines album are absolutely incredible. And I think that you
and Morten working together spin pure magic!!! Thank you
for never ceasing to make me smile. Happy Birthday in
November. Take Care and God Bless!!!!

Hi Mags!

Have a nice tour here in Germany. I hope you find some time for your own interests like art and food. 😊

Apropos interests 😊 : I still have this secret hope that you will write a little diary entry one day. Not as much as from the last tour, but one or two funny happenings (and I'm sure there will happen a lot more 😊). But please do it only, if you are in the mood for it. Don't think that you 'have to' do it. I want to show you my deep respect for what you have done for the website. Please carry on to care for a-ha.com. 😊

May the force be with you! :-D

Hi Magne 😊

It's September 7...Where, Esthonia?

I wish to tell you that I admire your Idea and the Release of Four!!!! LIFELINES CDies.

Who would guess, it's really innovating. Well done Magne!
Be aware of, for every problem you can find a solution and anytime you can call your friends for some help.

Keep "Just Do It!" , whatever people would say.

Let the Inspiration never bring you down and always be around!

Follow your Lifelines through and don't let them away from you!

Good Luck Magne!

Lindy (Gerlinde) ; mgloeffler@t-online.de 21:51

Dear Magne,

there is not much I would like to add to the message I already wrote for a-ha. I just would like to tell you that the music you wrote for the Lifelines album is brilliant. I can feel the enthusiasm and happiness you must have felt when you wrote these songs ! They are so much full of life ! "Solace" is so beautiful, it carries me away to some unknown place whenever I hear it.

However, I do not only respect you as a great musician, but also as a very kind and warm-hearted human being. I will never forget what you said, when your keyboard completely broke down during the concert in Wohlen (Switzerland). Instead of shouting at your new keyboard technician (what many other popular musicians would have done in this situation) you asked the audience to give him a hand, so that he wouldn't feel so bad. That showed real strength of character !

Finally, one last question: I am dying to hear "I call your name" and "Dark is the night" during one of your concerts. Will this wish come true ?????

Best wishes
Lindy
